Eagle Ridge, Fort McMurray, Alberta

Welcome to 209 Pintail Place: Tucked into a quiet cul-de-sac in Eagle Ridge, this elegant home pairs timeless design with modern luxury. Featuring a heated Triple Car Garage, a New Custom Jos-Willâ€™s Kitchen, and over 2,800 sq/ft of thoughtfully designed living space, every detail has been curated for both style and comfortâ€”making this property a true standout.

The wide pie-shaped lot offers privacy and versatility. The triple car garage is fully finished with insulation, heat, and painted interiors, providing the perfect space for your vehicles, recreational gear, or a home gym. A charming covered front porch sets the tone for the inviting, light-filled spaces that await inside. Step into a grand front entry with an oversized landing, natural light from three windows, and an overhead statement chandelier. The main living area unfolds just a few steps up, where wide plank luxury vinyl flooring in a soft white oak tone creates an airy, cohesive feel throughout the top two levels. The living room is anchored by a gas fireplace with a marble surround, flanked by custom wood built-ins that add warmth and refinement.

The custom kitchen by Jos-Willâ€™s is the heart of the home, blending classic white floor-to-ceiling cabinetry with a richly toned wood island and brushed gold hardware. High-end stainless steel appliances, modern pendant lighting, granite countertops, and a walk-in pantry complete the spaceâ€”offering both functionality and beauty. The adjacent

dining area flows seamlessly to the back deck, where youâ€™ll find a tranquil outdoor retreat framed by beautiful gardens, a pergola, privacy wall, and additional yard space along the side.

Upstairs, a generous bonus room with vaulted ceilings and a beautiful wallpaper feature wall provides a perfect second living area for family or gatherings. A private wing hosts two spacious bedrooms and a four-piece bathroom, while the primary suite is a calming haven featuring double door entry, a beaded chandelier, a walk-in closet, and perfectly appointed five-piece ensuite with granite counters, a jet tub, and a glass-enclosed shower.

The fully developed basement offers even more versatility with a wet bar and wine fridge, ideal for hosting or relaxing. Two additional bedrooms, a full bathroom, and a second laundry hookup make the lower level perfect for extended family or guestsâ€”offering comfort, privacy, and separate access through the garage.

Move-in ready and meticulously maintained, this is a rare opportunity to own a high-end home in one of Fort McMurrayâ€™s most sought-after neighbourhoodsâ€”just steps from schools, walking trails, restaurants, and more. Schedule your private tour today and experience the exceptional lifestyle this home has to offer.
